**ALTAMONTE SPRINGS-BASED TILT-CON CORPORATION APPOINTS
DOUG HAMM AS PRESIDENT**

ORLANDO, FL – Altamonte Springs-based Tilt-Con Corporation has appointed Doug Hamm as President. He will provide strategy, organizational development, leadership succession and alternative solutions for Tilt-Con. This acquisition of talent continues to reinforce Tilt-Con’s investment, optimism and strategy in building success for the future. Hamm has a passion for building and growing people, teams and companies at all levels. With over 25 years of experience, he has owned, and built, three of his own companies, a construction company, a manufacturing business and a channel management/technology company. He has also served the construction industry as a consultant, completed a successful reorganization/turnaround for a private International company, and led a 1.5 billion dollar sales and marketing group for a Fortune 100 company. In addition, Hamm has received various national awards, served on a variety of boards and is a U.S. Patent holder.

Tilt-Con Corporations is one of the nation’s most recognized innovative leaders in concrete construction. Most recently, Tilt-Con Corporation received the coveted national **2009 Robert Aiken Innovation Award** for outstanding tilt-up innovation companywide from the Tilt-Up Concrete Association (TCA). One of the founding fathers of site-cast tilt-up construction, Aiken is credited with the concept of casting panels face-up to enable superior craftsmanship in architectural finishes. In addition, Tilt-Con also received five prestigious **2009 Tilt-Up Achievement Awards** for: the 1800 Military Trail Parking Garage, Boca Raton; the new LEED-certified Boca Village Corporate Centre; the 109,952-square-foot University of St. Augustine Academic Building; the 1.2 million-square-foot Winter Garden Village Retail Center, Winter Garden, FL; and the 90,240-square-foot Palm Beach

Community Center Bio-Science Building, Palm Beach Gardens.

Also the winner of the coveted **International Golden Trowel Award** at the 2007 World of Concrete tradeshow in Las Vegas, Tilt-Con Corporation reigns as the nation's innovative industry leader in tilt-up concrete construction, having become one of the largest companies of its kind in the U.S. Offering unsurpassed quality and performance, Tilt-Con is widely recognized as the top award recipient in its field, and consistently applies its experience and creativity to deliver efficient, cost-effective building solutions. Specializing in commercial, industrial, educational and institutional projects, Tilt-Con Corporation is again named among The Top 600 Specialty Contractors in the U.S. by *Engineering News-Record*.
